

Colorado, I wish to extend our admiration and profound gratitude for this most honorable American. Our thoughts and prayers are with his widow, Meaghan, his parents, Christopher and Lee, and his five brothers.

RECOGNIZING THE SERVICE OF  
THOMAS CARNEY

**HON. HARRY E. MITCHELL**

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 28, 2008*

Mr. MITCHELL. Madam Speaker, I rise today to recognize a gentleman who has quietly spent the last twenty-five years making a difference in our community. Prior to 1983, Thomas Carney would never have described himself as, in his own words, a "bunny hugger". However, while out on a walk that year in our desert community, he came across two desert tortoises that had been badly damaged by heavy equipment on a construction site. One did not survive, but the other one did, due to the care and compassion of Mr. Carney.

This one day occurrence put Mr. Carney on a course in life he could never have imagined—tortoise advocate. He is now a member of the Arizona Chapter of the National Turtle and Tortoise Society. This group is dedicated to the study and conservation of these endangered animals.

I feel that it is important to recognize people like Thomas Carney. He saw a problem and educated himself about how to help these gentle creatures. He is now an advocate for desert tortoises and donates his time to educating others.

Too often, we overlook the little things in life that really make a difference. Mr. Carney, I want to recognize your efforts. I say congratulations and thank you very much for a job well done.

HONORING THE SERVICE OF THE  
PEACE CORPS VOLUNTEERS OF  
THE 26TH DISTRICT OF TEXAS

**HON. MICHAEL C. BURGESS**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 28, 2008*

Mr. BURGESS. Madam Speaker, I rise today to honor the individuals from the 26th District of Texas who are currently serving with the Peace Corps in countries all across the globe. Elizabeth Bryant, Blake Childs, Genevieve Dozier, Justin Fleury, Philip Hernandez, Kareem Mansour, and Marianne Montalvo are among the 8,079 Peace Corps Volunteers currently serving 74 countries at 68 posts worldwide.

More than 190,000 citizens of all ages and backgrounds have worked for the cause of peace in 139 countries since the organization was founded in 1961 by President John F. Kennedy. Peace Corps Volunteers have made momentous and long-lasting contributions around the world in agriculture, business development, information technology, education, health and HIV/AIDS, youth, and the environment.

As we have all seen before, it is possible that a single person can be capable of chang-

ing the world. Therefore I know the impact made by these seven individuals is simply unimaginable. Elizabeth, Blake, Genevieve, Justin, Philip, Kareem, and Marianne are currently stationed in 7 different countries for two-year terms. Their commitment to world peace is a trait that is to be commended and their passion for service is something to be both appreciated and emulated.

One of my heroes, President Ronald Reagan, often spoke about the importance of voluntary service. He once said it is like "a spirit that flows like a deep and mighty river through the history of our Nation." These selfless individuals exemplify the character and moral fiber of philanthropy.

The Peace Corps provides an invaluable service to the world and I believe it is important that we recognize that service. The admirable men and women who dedicate their time to serving others truly make this world a better place. It is an honor to represent seven of those individuals in the 26th District of Texas. I am proud that these exemplary citizens, who undoubtedly act as role models to those who wish to follow in their footsteps.

IN HONOR OF THE RIBBON CUTTING FOR NEW YORK EYE AND EAR INFIRMARY'S EAR INSTITUTE

**HON. CAROLYN B. MALONEY**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 28, 2008*

Mrs. MALONEY of New York. Madam Speaker, I rise to ask my colleagues to join me in celebrating the ribbon cutting for New York Eye and Ear Infirmary's Ear Institute. This spacious new facility, located on the 9th Floor of 380 Second Avenue, will provide hope to thousands of individuals who are suffering from hearing loss.

The Ear Institute is a state-of-the-art facility that brings together ear specialty services from the New York Eye and Ear Infirmary, Beth Israel Medical Center and the Children's Hearing Institute. The \$2.7 million renovation encompasses 15,150 square feet and will provide care to approximately 15,000 patients each year. A center of excellence in auditory health care, it includes a Hearing and Learning Center, the Cochlear Implant Center, a Hearing and Balance Disorders Center and a Vestibular Rehabilitation Center. The Institute's physicians will include specialists in otology and neurotology, as well as some of the world's most respected medical researchers in otolaryngology.

Hearing loss is America's number one birth defect and a leading cause of disability affecting 28 million Americans of all ages. Most adults over age 60 lose approximately 1 percent of their hearing annually, making hearing loss one of the most universal problems of aging. Hearing loss leaves people isolated from the community and unable to participate in many activities. Using innovative technology, the Ear Institute can literally transform the quality of people's lives. At the Ear Institute ribbon-cutting, I met profoundly deaf individuals who, thanks to innovative techniques used by the Infirmary's exceptional medical staff, were now able to hear, including children who could hear well enough to participate in

mainstream classrooms, adults who were able to return to their jobs, and seniors who were able to enjoy a better quality of life.

The Ear Institute will build on the excellent programs that the Infirmary has offered for many years. The Infirmary's Cochlear Implant Center is one of the largest in the United States, and participates in numerous national and international research protocols. The Infirmary pioneered innovative procedures that have restored hearing to thousands of profoundly deaf individuals, including infants as young as six months and adults.

The Infirmary also specializes in diagnostic services for people with hearing and balance disorders, and the new Ear Institute is equipped with some of the latest technology for helping diagnose problems, including rotational chair testing, dynamic Platform Posturography, pure tone and speech audiometry, advanced auditory brainstem and middle latency testing.

Founded in 1820, the New York Eye and Ear Infirmary is the oldest specialty hospital in the Western Hemisphere and was the first hospital to provide clinical training to medical students. The Infirmary is currently a teaching hospital affiliated with New York Medical College. With more than 20 residents and fellows graduating each year, it is considered one of the finest training programs for ophthalmologists and otolaryngologists in the world today.

With some of the most advanced diagnostic and treatment facilities available anywhere in the world, the Infirmary is often the first user of innovative technology, such as the first clinical high-resolution ultrasound biomicroscope in the United States. The Infirmary performs more than 23,000 surgical procedures and treats approximately 142,000 people on an outpatient basis each year. Its Eye Trauma Center treats more emergency eye cases than any other facility in New York.

Madam Speaker, I ask my distinguished colleagues to join me in recognizing the exceptional achievements of the New York Eye and Ear Infirmary and in celebrating the opening day of its new state-of-the-art Ear Institute.

CONGRATULATING SHARON DOYLE  
ON HER OUTSTANDING COMMUNITY LEADERSHIP AWARD

**HON. HARRY E. MITCHELL**

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 28, 2008*

Mr. MITCHELL. Madam Speaker, I rise today to congratulate Sharon Doyle on receiving Tempe Leadership's Outstanding Community Leadership Award. I am especially pleased to recognize Sharon because she is not only a worthy recipient, but a long-time family friend from my home town, Tempe, Arizona. This award recognizes outstanding leadership achievements and service that contribute to improving the quality of life in Tempe.

Sharon is also a fellow educator, retiring after thirty years as a speech and language pathologist in the Tempe Union High School District. This award represents years of community service which at the present time involves service to sixteen different committees and organizations. Although Sharon is retired,

she continues to use her time to serve education-related organizations, proving that her advocacy for young people did not end with her retirement.

She is a graduate of Tempe Leadership Class XVI and is the president of the Tempe High School District Education Foundation, vice-president of the Tempe Impact Education Foundation and is active on the Tempe City Council's Education, Technology and Economic Development Committee.

A community's quality of life is determined by many factors, such as the policies set by city government and the programs available to its citizens. However, I believe that a community rises and falls on the shoulders of its citizens, and the contributions they make to that community. Sharon exemplifies this commitment and raises the bar for everyone around her. I am proud to call Sharon Doyle a friend, and I commend her on her continued service to the young people of our community.

Sharon, congratulations on a job well done. Keep up the good work!

IN HONOR OF FIFTY YEARS OF  
PUBLIC SERVICE BY THE TWIN  
CITIES NORTH CHAMBER OF  
COMMERCE

**HON. MICHELE BACHMANN**

OF MINNESOTA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 28, 2008*

Mrs. BACHMANN. Madam Speaker, I rise today to pay tribute to the members and leadership of the Twin Cities North Chamber of Commerce. This weekend, the more than 500 corporate citizens of the Twin Cities North area that make up the Chamber, will celebrate their 50th anniversary at their Glitz & Glamour Gala.

The northern suburbs of the Twin Cities are vibrant, growing communities with state-of-the-art health care, high quality education, affordable housing, and an abundance of opportunities for recreational enjoyment. The Twin Cities North Chamber of Commerce is a big part of what makes this region such an attractive place to live, work, and raise a family.

By helping local business and community leaders work together to fill gaps in community needs and grow the local economy, the chamber ensures that the area enjoys all the benefits of a bustling metropolis while maintaining its small-town feel. On a drive through the neighborhoods and business districts of Arden Hills, Blaine, Columbia Heights, Fridley, Little Canada, Mounds View, New Brighton, Roseville, Shoreview, and Spring Lake Park, one truly feels surrounded by the best of all worlds.

I commend the members of the Twin Cities North Chamber of Commerce for their dedication to strengthening their local economy and improving their home communities. And I commend the leadership of the chamber under the guiding hand of Chairman of the Board Doug McNurlin for their dedication to their neighbors and their commitment to the core mission of the chamber of commerce.

RECOGNIZING PEACE CORPS VOL-  
UNTEERS FROM MARYLAND'S  
THIRD DISTRICT

**HON. JOHN P. SARBANES**

OF MARYLAND

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 28, 2008*

Mr. SARBANES. Madam Speaker, I rise today to recognize Peace Corps volunteers from my district: Jessica Ayd, Laura Burke, Gwyneth Caverly, Christopher Chapman, Erin Dahan, Aaron Degraffenreidt, Colin Doyle, Craig Edmonds, Jennifer Forster, Mark Gormley, John Gudger, Jonathan Katz, Oluseyi Lawoyin, Anne Lilly, Robi Marbury, William Marbury, Martha Moiforay, Anna Moyer, Hannah Stocks, and Sheena Washington.

I'd like to thank them for their terrific work in countries far and wide, and for helping make America's image abroad stronger at a time when we need it most. Additionally, I'd like to congratulate the Peace Corps on its 47th anniversary. Our country has truly been enriched by the experiences of the Peace Corps volunteers.

CONGRATULATIONS FOR DR.  
MARWAN SABBAGH

**HON. HARRY E. MITCHELL**

OF ARIZONA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 28, 2008*

Mr. MITCHELL. Madam Speaker, I rise today to recognize Dr. Marwan Sabbagh, a nationally renowned neurologist who has dedicated his career to finding a cure for Alzheimer's disease. As the founder and director of clinical research at Sun Health Research Institute's Cleo Roberts Center for Clinical Research, Dr. Sabbagh is working to develop new tools and treatment options for those who have been diagnosed with this tragic disease.

Dr. Sabbagh and the Sun Health Research Institute are partners in the Arizona Alzheimer's Consortium. This Consortium is a leading model for statewide research centers that build upon the strengths of participating institutions. As a member of the Congressional Task Force on Alzheimer's disease, I am proud of the groundbreaking research and education that is being done in my home state of Arizona.

Later this week, I will join Dr. Sabbagh as he celebrates the release of his latest book, "The Alzheimer's Answer". This book provides readers with the latest facts about the disease, real tips for prevention, and information on current diagnosis and treatment options. As we continue to learn more about the crisis this disease presents, reducing our risk and promoting wellness is more important than ever.

Madam Speaker, in addition to Dr. Sabbagh's work with the Sun Health Research Institute, he is also a scientist in the Department of Neurology at Mayo Clinic Scottsdale and serves as an adjunct professor at Midwestern University and Arizona State University. Through his work at these leading research institutions, Dr. Sabbagh is a leading investigator for several national Alzheimer's treatment trials, including Alzheimer vaccine studies.

Dr. Sabbagh currently resides in Scottsdale with his wife Ida and their two sons, Habib and Elias. The work that Dr. Sabbagh has done, and continues to do, will greatly benefit our nation. I am proud of his accomplishments and congratulate him on his book release.

A TRIBUTE TO LOUIS B. BURGELIN

**HON. GEORGE MILLER**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, February 28, 2008*

Mr. GEORGE MILLER of California. Madam Speaker, I rise today and invite my colleagues to join me in honoring Louis B. Burgelin, of Vallejo, California, for his many accomplishments and contributions to our community. Louis has provided remarkable leadership to countless organizations during his lifetime and the good citizens of our community have been the beneficiaries.

Louis Brosnahan Burgelin was born in Vallejo, California, on January 20, 1916, to Otto and Frances Burgelin. One of three children, Lou started his education at St. Vincent's Elementary School at the tender age of 4. During his years at Vallejo High School he studied hard but also spent a good deal of time playing football and tennis and perfecting his ability as a track sprinter. Following his high school graduation in 1932, Lou entered UC Berkeley for 2 years of study before transferring to the Mare Island Naval Shipyard Apprentice School. Lou graduated as a Marine Machinist and began an illustrious career. Quickly rising to management positions, Lou's leadership was instrumental in the success of several of our country's shipyards. At Hunter's Point in San Francisco, Lou served as both Head Progressman, and Labor Relations Superintendent. During his time at Mare Island in Vallejo, he served as Chief Progressman, Workload and Scheduling Manager, as well as the Production Equipment and Construction Manager. At Norfolk Naval Shipyard Lou was the Production Control Manager.

After retiring from the Federal Service in 1972, Lou served for 19 years as the Executive Secretary of the Armed Services Committee of the Vallejo Chamber of Commerce. He participated in the acquisition of more than \$200 million in project authorizations for Mare Island. He was also instrumental in maintaining the dredging operations so necessary for shipyard operations.

Over the years, Lou Burgelin has also donated his time and talent to countless professional and community organizations. He is a Charter member of the Naval Civilian Manager's Association and served as both local and national President. He also served as President of the Navy Yard Association of Mare Island and the Council of Naval Employee Groups, representing all of the employees of the West Coast Naval Shipyards. He has been elected National Vice President of the Retirement Federation of Civil Service Employees, the first Chairman of the Combined Federal Campaign for Napa and Solano Counties, the first Chairman of the Vallejo Senior Citizens Council and the President of the Vallejo-Napa United Way. Lou has served as President of the Vallejo Chapter 16 of the National Active and Retired Federal Employees Association (NARFE) and he is a long-standing member of the Vallejo Salvation Army.
